

PIERO LISSONI WITH NICOLETTA CANESI, LISSONI ASSOCIATI

DINING ROOM AND TERRACE

Italy's Piero Lissoni is renowned for using simplified forms to create timelessly elegant interiors. He and Nicoletta Canesi are cofounders of Lissoni Associati, which has studios in both Milan and Miami Beach. Among the firm's clientele are Alessi, Boffi, Kartell, and Elie Tahari. Architectural projects span the globe from Istanbul's Bentley Hotel and Tokyo's Mitsui Garden Hotel to Jerusalem's Mamila Hotel, and the redesign of the historical Zanin pastry shop in Milan.
