SYLVIE PILLOWS: IMPROBABLE (YET FABULOUS) DESIGN & FABRIC ENCOUNTERS

A former clothing designer, Parisian Sylvie Gueysson took a flair for pattern and the combining of abstract concepts, and applied it to creating pillows. Designing pillows was a natural evolution for Sylvie, as the final fusion of patterns, textures and colors held more of an attraction to the designer than the shape of the creation itself. It is not enough to read about them though, you must see these pillows that more resemble the canvas of an artist than our pre-conceived notion of a pillow.

KATIE POTTS: CHARMING ENGLISH TEAWARE

Founded in 2006, Katie Potts' previous *Tea for Two* collection is an assemblage of the most charming vintage teaware, cherry-picked and quaintly packaged in a sturdy black hat box with inspired decor (a trademark of Katie Potts). The teaware, ranging from the 1920s–1950s, was made in the Staffordshire Potteries.

SIEMATIC: A NEW GENERATION OF HANDLE-FREE KITCHENS

SieMatic's S2 kitchen caters to this generation's fascination with minimalism, leaving the kitchen handle-free (including knobs and handles). Don't let the S2's streamlined and sophisticated look fool you though, a detailed and highly useful interior system of drawers and cabinets make this kitchen a collaboration in form and function. A vast selection of colors and finishes are available.

Sylvie Pillows: Improbable (Yet Fabulous) Design & Fabric Encounters

A former clothing designer, Parisian Sylvie Guieysse took a flair for pattern and the combining of abstract concepts, and applied it to creating pillows. Designing pillows was a natural evolution for Sylvie, as the final fusion of patterns, textures and colors held more of an attraction to the designer than the shape of the creation itself. It is not enough to read about them though, you must see these pillows that more resemble the canvas of an artist than our pre-conceived notion of a pillow.
